Once you've made your selection, you can customize the pattern's color, scale and repeat. In the middle of a new project that I was working on, I realized that I had a problem. I needed to transfer a very large design (think 4 feet by 4 feet!) than I want to paint onto a primed piece of wood, and I couldn't figure out how to do it. Hey, Graphics Fairy readers, it's Heather from Thicketworks with my breakdown of three different image transfer results with one versatile transfer medium., Favorite Birds Iron Transfer Patterns.
