Higher order thinking (HOT) is thinking on a level that is higher than memorizing facts or telling something back to someone exactly the way it was told to you. This three page sample (plus a key, record sheet, and teacher notes) is from my complete set of 40 Brain Teasers for Transitions. The brain teasers are higher level thinking activities that are perfect for any type of transition time, when you have an extra five to ten minutes right before recess or lunch, but not enough time to start a new lesson. What is higher order thinking? Higher order thinking is thinking on a level that is higher than memorizing facts or telling something back to someone exactly the way it was told to you. If no one has ever encouraged, pushed, or insisted that you build more higher-order thinking into your students' learning, it's possible you've been teaching in a cave., Higher Level Thinking Questions Studies.
