

Download The Mercenaries Of The Stolen Moon Tales Of The High Court

The Mercenaries of the Stolen Moon, fourth book in the Tales of the High Court series, gives much deserved love to some well established characters from previous books. The main three here are: Myra, the High King's most trusted secretary, scarily competent and extremely organised, and one of the few people who can order the High King around. The Mercenaries of the Stolen Moon book. Read 35 reviews from the world's largest community for readers. For twenty years Myra has served the High King, ... Read 35 reviews from the world's largest community for readers. For twenty years Myra has served the High King, so familiar, respected, and envied the rest of the palace calls him the High Secretary. For twenty years he has kept his secrets buried, and after so long he dares to believe he has left his past behind. But during the Festival of Harmony, tragedy strikes, and Myra's past is dragged into the present. The Mercenaries of the Stolen Moon (Tales of the High Court, #4) by Megan Derr For twenty years Myra has served the High King, so familiar, respected, and envied the rest of the palace calls him the High Secretary., The Mercenaries Of The Stolen Moon Tales Of The High Court.
